

TKD Scoring Program v2.0.18E – Update Features

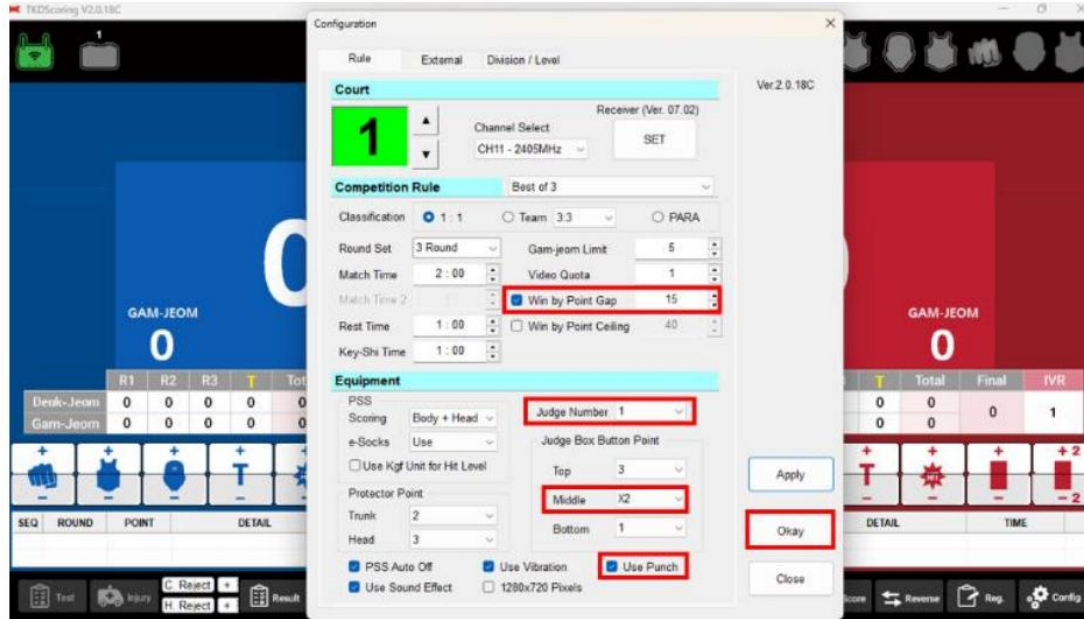

1. Updates

- When using the two-judge system, the existing scoreboard screen remains unchanged.
- Fixed bugs related to **multi-language support**
- Fixed an issue where during **rest time** pressing key-shi would prevent the next round from starting

2. New Features

- Applied the new **Best of 3** competition rule(WT) / 1 Judge system, Technical points X2
- Added a **3-point option for Head Techniques** on the IVR Request
- **Match time blinks** and **sound alert is triggered** when 10 seconds remain in the match
